So, I went into detox with no idea what to anticipate. I was concerned about getting treatment for my alcoholism because it was my first time, but the staff made me feel at ease right away. The group facilitators are competent, educated, experienced, and perceptive, and I got the impression that they genuinely care about the clients' well-being. I would suggest this detox to anyone who is looking for genuine, professional support with their recovery.

One solution detox is truly a blessing for anyone suffering from addiction. Every staff member is incredible caring and knowledgeable. They only want to help you and nothing more. Gerard James had never met me a day in his life but time i called, and he picked up, he treated me like family. You join a family at one solution detox. Thank you for everything

I am a mom who has been dealing with addiction for a few years. I have dealt with many detox/rehabs in the Broward /Pam Beach area. Some who seem to care (a little), some who obviously care about money or not at all. It was all frightening, frustrating and depressing.

Until my child went to 1 Solution Detox.

These folks went above and beyond for our family and they will for yours. They provided personal cell phone numbers to contact them if need be.

One night I had an awful experience and I reached out to one of the staff at 1:00 am on a Friday, guess what -he answered the phone out of dead sleep!! and helped me without complaint. Put my mind at ease, which anyone who is reading this knows is so important.

What other place does that? None.

Take it from a mom, put them in the place where they care so you can have peace of mind.

How can you admit that detox is great. But when welcomed into 1 Solution Detox with such an experienced, caring staff it makes it much easier. My time there opened my eyes to treatment and take one day at a time. Anyone struggling, you should contact them 🙌🙌🙌

The staff at 1 Solution Detox went above and beyond my expectations. Their clinical team guided my brother to recovery and made sure that all of his underlying issues were being addressed. Id recommend them to anybody battling addiction and/or drug use. Thank you 1 Solution Detox!

Staff to notch, all the amenities you can ask for and then some, food catered every day for every meal should be Michelin rated. I have and will continue to recommend them in need of help or looking to change their life for the better. This is the place to be to turn around, let the fog clear, start a solid foundation with knowledgeable and experienced staff well connected with after care facilities so you can continue on your path upwards. If you're someone reading this thinking about pendulum as the place to start your journey...make the call. You wont regret it.
